Exhibition spaces are assigned on a first come, first serve basis. Aisle and end tables fill up quickly, so reserve space early. No exhibitor will be allowed in the Vendor Area prior to receipt of the full payment. The Vendor Chairperson reserves the right to relocate the exhibit areas for the benefit of the exhibitor or for the betterment of the IACA. No exhibitor shall assign, sublet or share their rented space without the consent of the Vendor Chairperson.

Vendors are responsible for arranging shipping to and from the IACA/AACA Conference host venue. Exhibitors will also need to work directly with the host hotel, the Doubletree Paradise Valley Resort, to arrange any special deliveries or other vendor needs. The host hotel will accept a limited number of boxes, and no pallets, for each vendor. Please contact the host venue directly for any special considerations or to ask any questions about shipping of vendor exhibit materials before and after the Conference.

Each exhibiting firm agrees to comply with all Federal, State and local laws and ordinances applicable to the leased space and also such rules and regulations as deemed necessary by the Vendor Chairperson and/or the Vendor Hall facility. All matters not covered by these regulations are subject to the final decision of the Conference Chairperson. The exhibiting firm or its representative who fails to observe these conditions may be excluded from the exposition without refund.

In the event a vendor needs to cancel their table rental, cancellations must be made via written correspondence to the Vendor Chairperson prior to September 1, 2009 for a full refund. Cancellations made after September 1, 2009, will not be issued a refund.

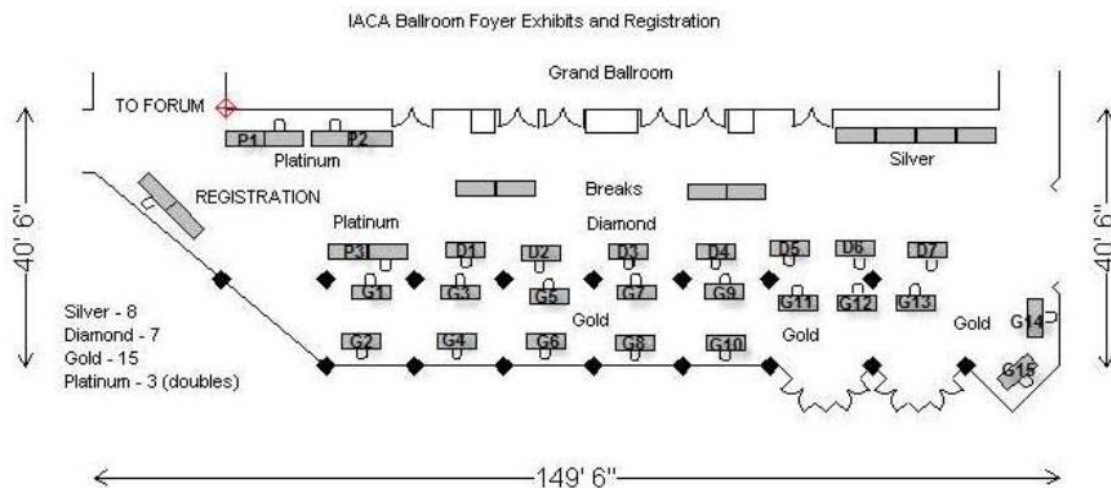

All displays must be erected and open for viewing by the date and hour of Vendor Hall opening. In the event the vendor/exhibitor fails to install their display within the time limit set for the opening of the Vendor Hall, the Vendor Chairperson shall have the right to take possession of said space and resell all or part thereof. Likewise, the deadline for removal of Vendor Hall displays will be firmly enforced. In the event vendor materials are still in the Vendor Hall after the required take down time, the Conference Chairperson reserves the right, with no liability for damage, spoilage or loss, to have the materials dismantled, cleared and stored; with the work done at the sole expense of the vendor.

At all times, every person, including temporary exhibitor representatives, must wear an identifiable and acceptable IACA/AACA Conference badge. During open Vendor Area hours, the exhibitor's table must be staffed. No admittance into the Vendor Area will be allowed outside the designated hours, unless special permission is granted by the Vendor Chairperson. Only the vendor of an assigned space or Conference staff may be permitted to enter said space. At the Conference Chairperson's discretion, exhibitors violating this rule may be immediately expelled from the remainder of the Conference without refund of any portion of the registration fee.

Photography will be limited to open Vendor Area hours and pictures may only be taken from the aisle areas. The only exceptions are photos taken by Conference staff or exhibitors taking pictures of their own booths.

Internet connectivity is not provided by the IACA/AACA Conference. Vendors requiring Internet connectivity, that do not already have an outside data or air card for Internet connection, must work with the host venue to set up Internet connectivity at their exhibition space.

Please visit the IACA website at www.iaca.net for more Conference information including lodging and area activities.
